

110TH CONGRESS
2D SESSION

H. RES. 1420

Expressing the sense of the House of Representatives regarding the terrorist attacks launched against the United States on September 11, 2001.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 9, 2008

Mr. HOYER submitted the following resolution; which was referred to the Committee on Oversight and Government Reform, and in addition to the Committees on Foreign Affairs, Armed Services, Transportation and Infrastructure, Homeland Security, the Judiciary, and Select Intelligence (Permanent Select), for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

RESOLUTION

Expressing the sense of the House of Representatives regarding the terrorist attacks launched against the United States on September 11, 2001.

Whereas on the morning of September 11, 2001, terrorists hijacked and destroyed four civilian aircraft, crashing two of them into the towers of the World Trade Center in New York City and a third into the Pentagon outside Washington, DC;

Whereas the passengers and crew aboard United Flight 93 acted heroically to prevent the terrorist hijackers from taking additional American lives, by crashing the plane in

Shanksville, Pennsylvania and sacrificing their own lives instead;

Whereas thousands of innocent men, women, and children were brutally murdered in the attacks of September 11, 2001;

Whereas 7 years later, the United States still mourns their loss and honors their memory;

Whereas by targeting symbols of American strength and prosperity, the attacks were intended to assail the principles and values of the American people, to intimidate the Nation and its allies, and to weaken the national resolve;

Whereas the United States remains steadfast in its determination to defeat, disrupt, and destroy terrorist organizations and seeks to harness all elements of national power, including its military, economic, and diplomatic resources, to do so;

Whereas Congress passed and the President signed numerous laws to assist victims of terrorism, protect our Nation, combat terrorism at home and abroad, and support, in the field and upon return, the members of the Armed Forces who courageously defend the United States;

Whereas the terrorist attacks that have occurred around the world since September 11, 2001, remind us all of the hateful inhumanity of terrorism and the ongoing threat it poses to freedom, justice, and the rule of law;

Whereas the United States has worked cooperatively with the nations of the free world to capture and punish terrorists and remains committed to building strong and effective counterterrorism alliances;

Whereas immediately following September 11, 2001, the United States Armed Forces moved swiftly against al-Qaeda and the Taliban, which the President and Congress had identified as enemies of the United States;

Whereas in doing so, brave servicemen and women left loved ones in order to defend the Nation; and

Whereas 7 years later, many servicemen and women remain abroad, defending the Nation from further terrorist attacks and continuing to battle al-Qaeda and the Taliban: Now, therefore, be it

17 with the resources and support to effectively and
18 safely accomplish this mission; and
